INTRODUCTION

# TREVOR WAINWRIGHT

LEADER OF THE LABOUR GROUP

After nearly a decade of Conservative cuts our Borough can do better.

The Tories have cut local police, local children centres and support for local families.

They will cut jobs, cut services, and cut local people out of decision-making.

Labour has a better plan for Great Yarmouth.

Only voting Labour will protect you and your family from Tory cuts.

So on Thursday 2 May, use all your votes for Labour.

Best,

*Trevor*
